Who We Are

The Massachusetts Society of Clinical Oncologists (MSCO) has a long and proud tradition of representing over 800 oncologists and oncology professionals from over 50 practices in the state of Massachusetts.

Since 1985, MSCO has sought to protect and enhance the quality of cancer care and treatment in Massachusetts by dedicating its resources to professional education, representation of cancer professionals and physicians, advocacy, and patient awareness and resources. In addition, MSCO also addresses important issues involving third-party reimbursement, legislation, and barriers to affordable, high-quality patient care.

THE 2022 ANNUAL MEETING

DR. ADITYA BARDIA PRESENTS

Management of Metastatic Triple Negative Breast Cancer: Targeting Positive in the Negative

November 18, 2022
The Westin Waltham Boston | 5:30-8:30 PM

Register Today
www.mass-oncologists.org
Objectives

Triple negative breast cancer is an aggressive form of breast cancer associated with a high risk of recurrence and poor prognosis. Chemotherapy has traditionally been the mainstay of management but is associated with a low response rate and significant toxicity. In this presentation, we will review the biology of triple negative breast cancer, genomic alterations, therapeutic challenges, and the role of antibody drug conjugates in the management of triple negative breast cancer.

Upon completion of this activity, learners should be able to:
1. Understand the role of immunotherapy and antibody drug conjugates in the management of breast cancer.
2. Review the concept of actionable genomic alterations and challenges in the field of precision oncology.

Accreditation Statement

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Massachusetts Medical Society and the Massachusetts Society of Clinical Oncologists. The Massachusetts Medical Society is accredited by the ACCME to provide continuing medical education for physicians.

AMA Credit Designation Statement

The Massachusetts Medical Society designates this live activity for a maximum of 1.00 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

*Ineligible for AMA PRA Category 1 Credits™
